

Before you
PICK A SCHOOL
ask to see its
REPORT CARD.

Not all schools ARE CREATED EQUAL.

Picking a college is an important decision, and we feel you should make an informed choice. We're so confident in West Coast University, we encourage you to visit other colleges to see how they stack up. Use this card to answer questions and take notes to help you choose the education that's right for you.

What puts West Coast University ahead of the curve?

- | | |
|--|--|
| ✓ Graduation date set upon enrollment. | Can other colleges set your graduation date once you are accepted? |
| ✓ Classes start every 10 weeks. | How long do you have to wait to start your program elsewhere? |
| ✓ 93.5% NCLEX pass rate in OC and 86.9% NCLEX pass rate in LA.* | What percentage of students are passing the NCLEX elsewhere? |
| ✓ Innovative Online Hybrid approach to learning. | Do other colleges offer innovative approaches to learning? |
| ✓ Acceptance to West Coast University ensures acceptance to nursing classes. | Do the other colleges hold a spot for you in each of your classes? |
| ✓ Bachelor of Nursing in just over three years. | Were you able to find any other colleges that offer a BSN in just 39 months? |

*2008-2009 first time NCLEX pass rate for Associate of Science in Nursing graduates.
